FOR HARDWORKING PEOPLE LOOKING FOR A **HARDWORKING TRACTOR.**

The Massey Ferguson 2600 H Series is a rugged line of straightforward and dependable utility tractors that offer the heritage and affordability of classic Massey Ferguson models. These tractors feature everything you expect in a Massey Ferguson, starting with a simple, open-platform design. A steel hood, fenders and platform offer rugged durability while the high-capacity hydraulics enable loader and implement work.

VERSATILE — Whether you farm, landscape or contract, the MF 2600 H Series will help you get work done.

- ▶ **Transmission** — Choose between an 8F x 2R with live PTO or an 8F x 8R shuttle with independent PTO.

STABLE — MF 2600 H Series tractors combine innovation with confidence-building stability. It all adds up to a tough tractor that's ready to go when you are.

COMFORTABLE — Even if you don't need all the bells and whistles, you still want a comfortable ride. The MF 2600 H Series delivers.

EASY TO USE — The MF 2600 H Series makes everything easier for the operator.

- ▶ **No DPF** — No diesel particulate filter (DPF). No regenerations. No downtime.
- ▶ **No DEF** — Does not require the use of diesel exhaust fluid (DEF).
- ▶ **Serviceability** — A simple release hood latch makes preventative maintenance, like checking filters and fluid levels, easy.

RUBBER FLOOR MATS

- ▶ Allows for a more comfortable ride with decreased vibration.

2WD AND 4WD FRONT AXLE OPTIONS

- ▶ Offered in both two- and four-wheel drive, you have cost flexibility and application versatility for whatever work you need to get done.

DEBRIS/HEAT SHIELDS

- ▶ Located on the floor near the operator's feet, the debris shields provide a cooler and cleaner drive.

OPERATOR STATION

- ▶ The simple, open-platform design makes entering and exiting the tractor easy, while the ReverseRise seat offers more leg room and great visibility.

DURABILITY

- ▶ Steel hood, fenders and platform mean this tractor is in it for the long haul, even in tough conditions.

HYDRAULICS

- ▶ The high-capacity hydraulics make loader and implement work simple.

LOADER

- ▶ Attaching and changing the bucket is easy with skid-steer style coupling.

EASY FUEL FILL

- ▶ Ground-level fuel tank provides easy access.

PARTS & SERVICE

IT'S ALL ABOUT A LIFETIME OF SUPPORT

Buying, owning and maintaining equipment can be complex. That's why ensuring you have support and peace of mind is always an important consideration. With Massey Ferguson, you can count on personalized, responsive support from our network of dealers. Plus, there's no cut-off time for parts and service, meaning we're available to you throughout the lifetime of your machine.

There's a pride and responsibility built into every piece of equipment we sell, and we make it our mission to keep your machine running smoothly, every single time you turn the key.

Ask your dealer about AGCO Protection, an extended warranty program that prolongs your coverage and safeguards against the cost of sudden breakdowns.

AGCO replacement parts are made to the same high standards as those used on the assembly line, so your AGCO® equipment will stay running like new. Talk to your dealer, or shop at parts.agcocorp.com to find the AGCO Genuine Parts you need.

Focus on your operation, not on scheduling maintenance. With AGCO GenuineCare plans, your service intervals are predetermined. You'll avoid downtime and be able to better plan your costs thanks to transparent pricing, bundles and discounts.
